Website Managers Comments:

Overall everything is very good. Could be a room for a little bit of improvement. Hoping to see our percentiles closer to 100% for next time and to get more responses.

Did this survey pass according to the grading scale? Yes.

Grading Scale Reference:

80%-100%= Green (Passing)

60%-79%= Yellow (Average, needs improvement, not a passing but not failing)

0%-59%= Red (Failing)

This is a common scale that business and other non-profit organization use for survey responses and/or business performance testing/inspection.
